VERSATILE

A photograph of a modern retail store interior. The space is bright and minimalist, featuring white mannequins, glass display cases, and heart-shaped jewelry. The floor is highly reflective, and the ceiling has recessed lighting. The overall aesthetic is clean and contemporary.

Fashion Forward Design Outside the Lines

Lonseal's attractive and chic line of resilient sheet vinyl products allow you to design in three dimensions. With the same great performance you can expect from Lonseal, the creative possibilities can now be applied vertically, horizontally or on custom applications (fixtures, cabinetry, tabletops, etc.). Lonbead and Lonmetro UV, our latest product introductions will inspire you to apply our fashionable embossing and great coloring at every angle of your retail space.

Featuring Vertical Surface, Fixtures and Flooring options that are:

- Uniquely Embossed in a Variation of Color Options
- Easy Installation and Maintenance
- UV cured urethane options that create a chemical resistant shield
- Thin film adhesive for easy fixture installation
- Durable for High Traffic Environments
- GreenAir™ Collection featuring low VOC products
- LEED applicable, 20% post industrial content

Please visit us at www.lonseal.com or 800-832-7111 to discover the design possibilities.
